EXPERIENCE

Synapse - Annual Festival, DA-IICT

- Lead of the Graphic Design and Video Editing Team, managing the Official Social Media platforms of Synapse.
- Learned all the tools about graphic design and improved my video editing skills.
- Designed sub-events under Synapse'23: Hackout'22 (Coding Hackathon) and YouthRun'22 (7Km run for environment).
- Designed Synapse'23 with 2 other teammates using AI for creating more than 30+ Event Posters, artist posters, brochures, marketing designs for sponsors, etc.
- **Period: February 2021 - Present**

Student Volunteer - ISEC'22

- Produced an engaging trailer for the Innovations in Software Engineering Conference.
- Promoted conference highlights to encourage participation.
- **Period: April 2022 – May 2022**

Excitonium and Sigma Book - Youtube Channel

- Edited videos for my own youtube channel and designed Thumbnails.
- Created more than 200+ videos.
- **Period: 2019 - 2022**
